

NORMAL NOTES

(Received too late for publication last week.)

The big event of last week was the football game with Winslow on their field, Saturday afternoon. Although our boys were much inferior to the Winslow men in weight, they put up a good hard fight and we are proud of them. Playing back and forth over the field, it was not until the third quarter that Winslow scored their touchdown. Failing to kick the goal, our boys from that time on held the line in such a manner that they were unable to score again. The Flagstaff boys who made the game worth seeing were Francis Decker, Leon Egner, George Lamport, Earl and Jack Heckethorne, Mickey Enright, Frank Saunders, Ed Newman, Decker Williams, Ernest Hogan, Reginald Horn, Slip Emission.

Among the Normal students who attended the game at Winslow were the Misses Mildred Dimick, Harriet Buckbee, Jackie Humphrey, Annie Mae Tillman, Myrtle Pexton, Della Garcia, Helen Shupp, Frances Blaylock, and Messrs. Colyar Emission, Frank Saunders, Francis Decker, Walter Fleck, Earl Heckethorne, Jack Heckethorne, Mickey Enright, Gus O'Connor, Leon Egner, George Lamport, Ernest Hogan and Reginald J. Horn.

Mrs. C. E. Wyrick, of Winslow, arrived in Flagstaff Friday evening to join her daughter, Miss Margaret Wyrick in a trip to the Grand Canyon.

One of the Normal girls, Miss Siegfried Soder, was paid the honor of having King Albert ask to be introduced to her. Evidently the king has been reading western fiction, as he said that Miss Soder realized his ideal of the "Girl of the West." Miss Soder and her friend, Miss Beulah Bryant were the guests of Mr. and Mrs. Driver of Winslow.

Miss Mary Duffy, of Nogales; Miss Marguerite Wyrick, Mrs. C. E. Wyrick, Mrs. Murphy, and Messrs. Craig Pottinger and Ray Ramsey motored to the Canyon last week-end.

Not only have we a girl's basketball team to uphold our athletic reputation, but a goodly representation of boys turned out for practice Tuesday afternoon. Under the able coaching of Mr. Lawver we expect to have a state winning team.

Another party to motor to the canyon was composed of Miss Virginia Powell, Miss Anna Powell, Mrs. Phelan, and Messrs. Claude and Dan Phelan.

Miss Edith Brandis, spent the week-end at the Brandis ranch, which is about twelve miles from the city.

A merry party gathered for a picnic Saturday afternoon, when Misses Margaret Hall, Agda Pierson, Lillian Munro, and Messrs. Joe Hanley, Jas. Turpin and Tommy Long motored to "The Divide" and partook of a bounteous supper.

Mrs. Quinlan and her two sons, of Winslow, were the dinner guests of Mrs. Beckwith Sunday.

Miss Delia Gist of Bury Hall spent the week-end at her home in Prescott, attending the Prescott fair.

Several of the students have been ill the past week; Miss Marguerite Wyrick, of Campbell Hall; the Misses Thelma Brandford and Frances Blaylock, of Bury Hall; Dolly Kanady, of Morton Hall; Francis Decker and Mickey Enright, of the boys' dormitory. Mickey was unfortunate enough to seriously injure his knee in Saturday's football game.

Miss Edith Ingledew spent the last week-end at her home in Winslow.

Mr. and Mrs. Creager and son, Joe Tyler, Mrs. Hanley and son George, and Jack Lamb motored to the canyon when the king and queen passed there. Little Margaret Hanley was well taken care of by the Bury Hall girls, who are now seriously thinking of adopting her as their mascot.

Miss Pauline Jones spent the week-end at her home in Williams.

Miss Stephens was called to the canyon Sunday, but returned to her duties Tuesday morning.

Mr. Walker received a letter from the University of Arizona Monday, appointing him chairman of the debating league, to arrange for future debates between the University of Arizona and N. A. N. S. We hope to have a contest before the Christmas seniors leave us as some of our best material is in that class.

The Northern Arizona Normal extended welcoming arms to two new pupils last week when Miss Beulah Porter and Louis Falardeau registered for the winter term. Miss Porter comes from Nogales, and Mr. Falardeau is the son of Captain Falardeau, of Fort Wingate, New Mexico.

All of the students were glad to receive the first issue of "The Pine," our school paper, last Friday afternoon. Its publication has been awaited with much interest, as it is a chronicle of the most important school events up to this time.

Mrs. Merritt, the preceptress of Bury Hall, was a guest at the El Tovar Hotel at the canyon over the week-end.

C. R. Marrow was in Flagstaff on Saturday evening visiting his niece, Miss Pearl Tucker of Bury Hall.

A very interesting assembly was held in the auditorium on Monday at 1:00 p. m. After the opening exercise by the entire school, the Glee Club rendered a well-chosen selection. Father Vabre, of the Catholic church, had kindly consented to speak to the students. He chose for his subject "The Life of Roosevelt," which is so especially interesting at this time, when the country is endeavoring to express its appreciation of the great man's life by a worthy memorial. Father Vabre's address was much enjoyed by all and we hope that he will again speak to us before the year is over.

A special assembly will be called soon to reorganize The Pine staff. Also a novel program of folk dances has been prepared by the girls of the physical education class under the direction of Miss Rose Walsh.

Much weeping and wailing, sprinkled here and there with smiles, has

been a noticeable feature on the campus this week. Why? The first quarter's grades are out.

So far the school has raised the sum of \$62.50 toward the Roosevelt Memorial Fund. We do not like to boast, but the Normal is never far behind in public spirited movements.

A large hunting party left here last Sunday afternoon for Rogers Lake. Whether or not any game was caught is a matter of conjecture, but never-

theless everyone enjoyed a splendid time. Those present were the Misses Marguerite Wyrick, Marbury Henning, Marie Taylor, Mary Beckwith, Siegfried Soder, Beulah Bryant, Bobby Harrison, Mary Duffy, Mrs. Hock and Mrs. C. E. Wyrick, and Messrs. Craig Pottinger, Ray Ramsey, Elmer Jackson, R. J. Hock, L. C. Stephenson, and Ed Clark.

Mr. Friedlein, Miss Beal, Fred Metz and Miss Esther Carr motored to Ash

Fork Sunday.

Miss Annie Fuller recently received word that her brother was seriously injured by an explosion of dynamite.

Miss Imogene Tracy was the guest of honor at a birthday dinner given at the home of Miss Cleah Whipple on Saturday night.

New Courses

The Normal school students have been given a fine opportunity for ad-

vanced professional work. Courses have been organized in psychology and education. Work which has a definite value to the teacher in measuring the results of her schoolroom activities is being offered.

The course in tests and measurements is especially designed to get accurate results in the common branches. Under the direction of H. E. Hendrix, of the department of education and psychology, students have

been instructed in the giving of these tests. They are now measuring the achievements of the training school. In a short time the results of this course will be published. Arrangements have been made by the class to conduct similar experiments in other schools.

As the business man measures his sugar and coffee so does the new prospective teacher measure the work of (Continued on Page Nine.)

YOU cannot imagine how truly delightful **Orange-Crush** is until you have tried it. Any dealer will serve it to you ice cold, and fragrant with the delicate flavor of golden oranges.

Orange-Crush gets its flavor from the pure, delicious oil pressed from the fruit itself, in tasty combination with such other wholesome ingredients as finest granulated sugar, carbonated water and citric acid, which is the natural acid of the orange.

Be sure to drink several glasses every day.
